

These puppets are all designed and made by me. I can no longer physically do puppets more than occasionally, so I have decided to part with these. They have been used in the Lord's work very effectively.

Big Bear

This is a very large puppet and needs a very strong puppeteer. It is a human hand puppet with both gloves. \$150.00

Boy

Human hand puppet with both gloves. Use either hand, or stuff one and have him hold a prop with one. Wears size 4 shirt \$90.00

Butterfly & Caterpillar Set

Butterfly has mechanism to make wings flap, and caterpillar can "inch worm" along top of stage. Set \$100

Camel 1

Camel 2

\$50.00 each

3 Chimps

These are good sized rod puppets and have wired fingers for gestures and holding props \$80.00 each

Dino Mom - young dino set

This set is an adult dino and a kid dino. GREAT for telling about creation! Each has a glove making them versatile. Set is \$150.00

Dinosaur Vent

Very large vent whose head matches the Dino kid puppet. This was so it could be used in or out of a stage Perfect condition. \$200.00

Frog

This delightful frog is a rod puppet. The sleeve covering your arm has damage from a suitcase zipper. \$50.00

Nerd

Larger than life, he has taped glasses and ink stain on pocket. A rod puppet with personality plus! \$200.00

Orca

A most unusual rod puppet with rods for his flippers. large and impressive. \$80.00

Pig Snarfle

Large and is one of my favorites! He was going to build his own nintendo without instructions. Human hand - 2 hoofs! \$150.00

Quartet

These Human hand puppets have pantomimed a lot of Souther Gospel! Sold as a set. \$400.00

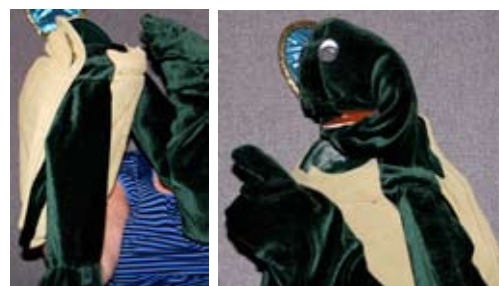

Snakes

I have several snakes @ \$10.00 each I need to get them out to see which ones are left so I can get the right pictures up.

Tiger

Human Hand puppet is a lovable non-threatening Tiger. \$120.00

Turtle

Human Hand puppet whose head can retract into its shell. He has some wear & tear, but very usable and unusual! \$60.00
